FAITH
IN ACTION

**Have a heart and
make a friend!**

A senior adult near you needs a ride to his or her doctor's appointments, treatments, or grocery store, or maybe would just like a friendly visit.

**Let *Faith in Action* bring you together.
Flexible hours will fit any schedule.**

***Faith in Action* volunteers change lives.**

***Faith in Action* has many ways to be involved—**

- Be matched one-on-one with a care receiver,
- Provide transportation
- Office assistance
- Fund Raising for program support.

Volunteering with *Faith in Action* helps senior adults in our local communities maintain their independence and quality of life, and builds caring relationships.
